

# Introducción a los autómatas programables

## Estructura externa

- Estructura modular. Del autómata S7-224.

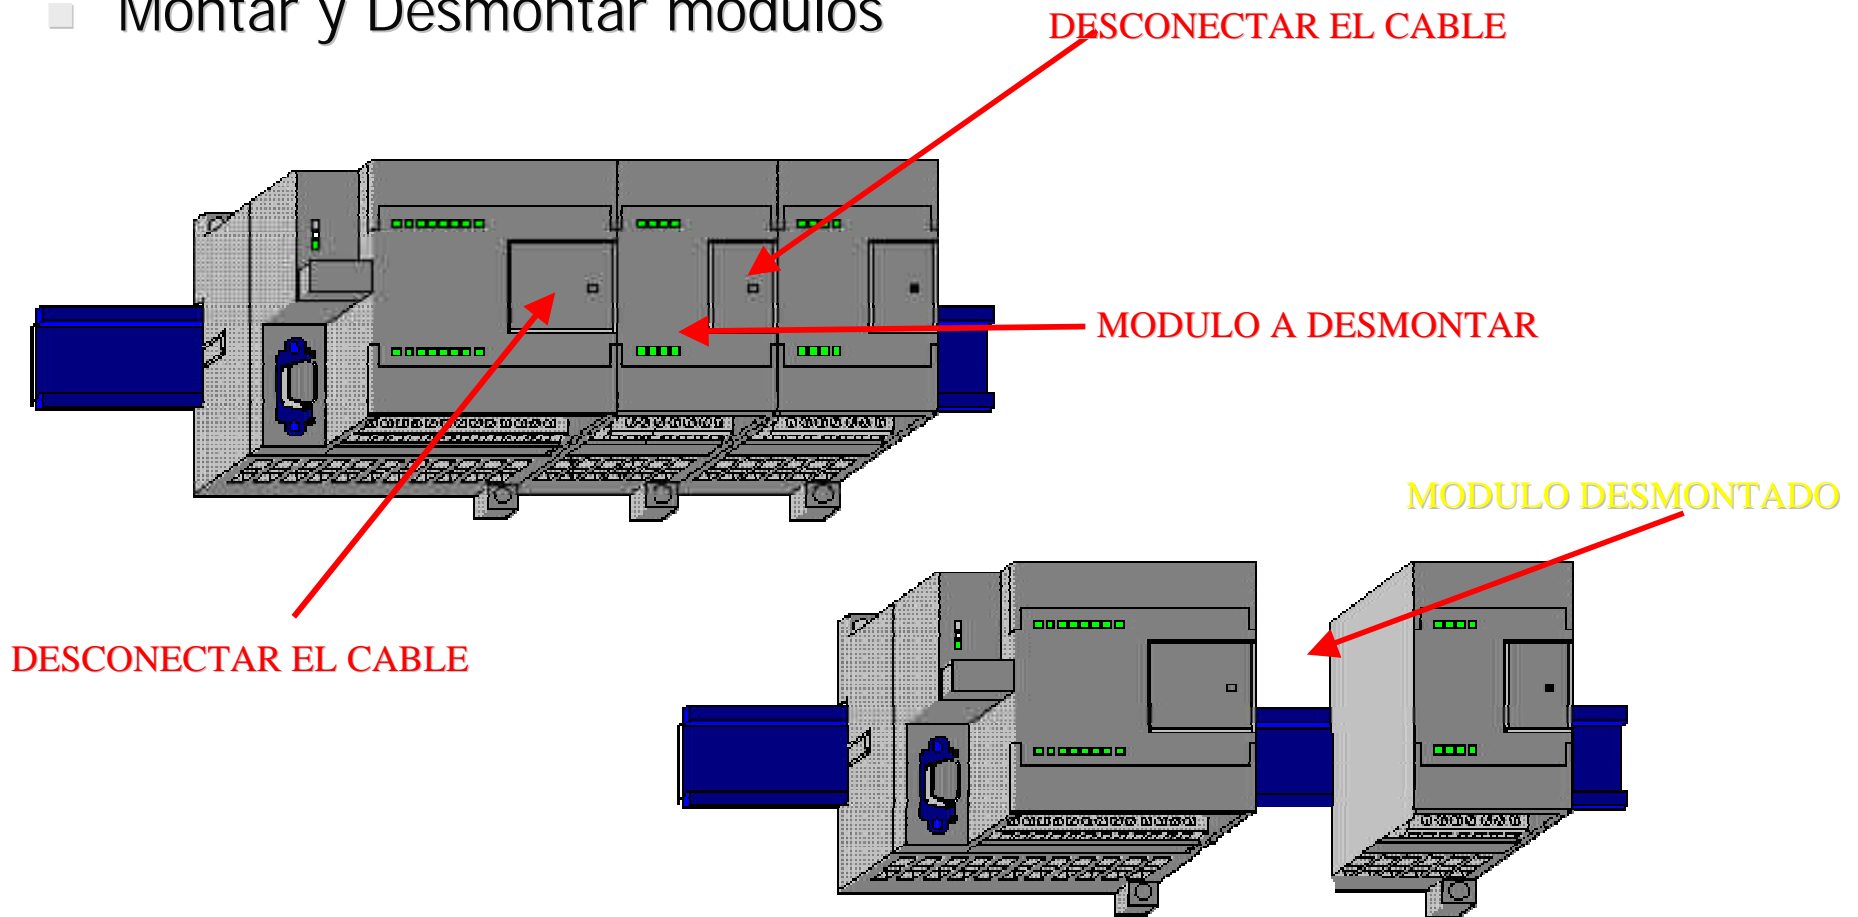

# S7 - 200

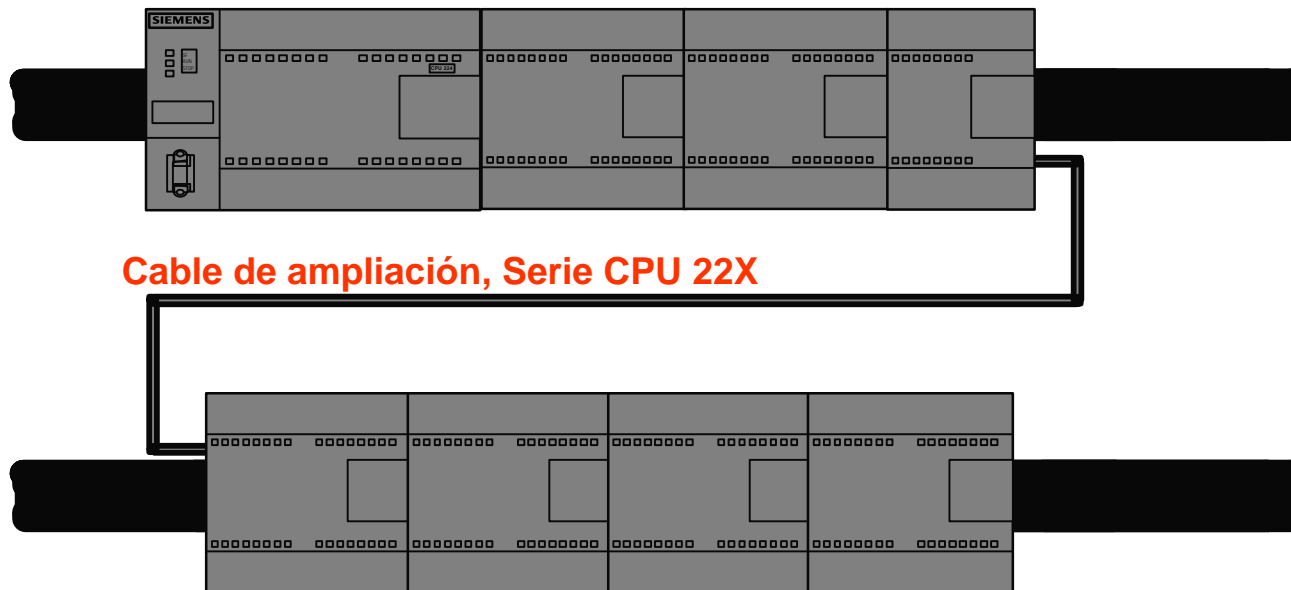

# S7 - 200

- Montar y Desmontar módulos

# S7-200

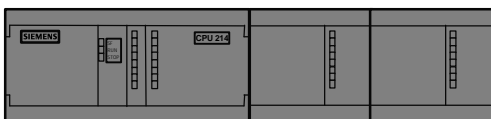

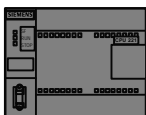

- Ahorro de espacio: conexión en dos filas
- Ampliación mediante módulos de E/A (longitud cable 0,8 m)

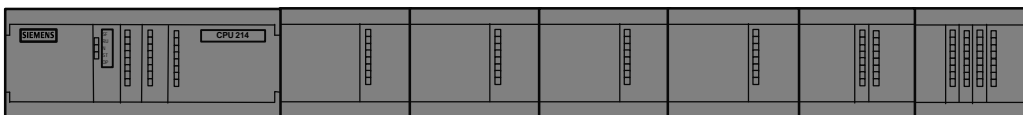

# S7-200

## ■ Módulos

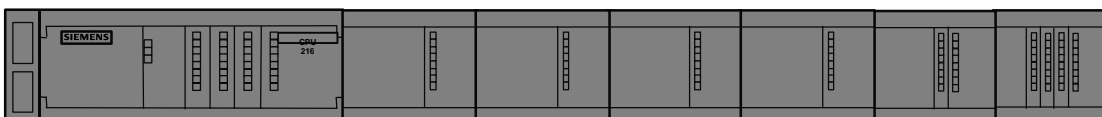

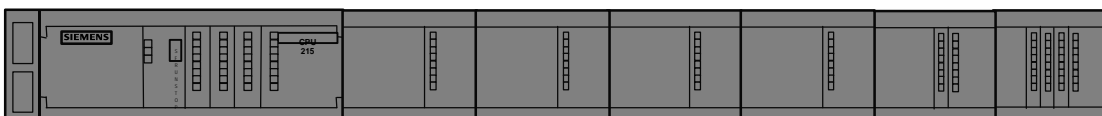

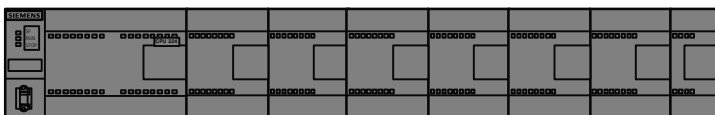

### CPU 221

### CPU 222

### CPU 224

ED Integ.	SD Integ.	Max. nº canales
6 ED	4 SD	10 ED/SD <b>no ampliable</b>
8 ED	6 SD	78 ED/SD 6 EA ó. 4 SA/8 máx.
8 ED	6 SD	46 ED/SD 6 EA u./o. 4 SA/8 máx.
